

### **In the Specification**

Please add the following headings to the Specification:

At page 1 line 2: Background of the invention

At page 2 line 6: Summary of the invention

At page 3 line 2: Brief description of the drawing

At page 3 line 6: Detailed description of the invention

Please amend the paragraph starting at page 4 line 17, ending at page 4 line 19 as follows:

The detector assembly of the unit 30 may comprise a silicon pin photodiode, the output of which is preferably displayed on an oscilloscope 31.

**In the Drawings**

The Figure has been amended to show a means for displaying 31. There is basis for this amendment to the drawing at page 4 lines 17, 18. A new sheet is attached.
